## MERCHANTS OF COUNTY TO HOLD THEIR NEXT CONVENTION HERE

Decision Reached Upon Invitation Being Extended By Local Representatives

CONVENTION IS BIG SUCCESS

Local People Have Prominent Places On County Program—Short Talks Made by Different Ones From Different Points

Charleroi was selected as the next place for the meeting of Washington county merchants when their first convention was held Thursday at Washington. No date was set, this being left in the hands of the committee. At the Washington session which was arranged under the auspices of the Washington Board of Trade, there were over 250 present from Washington and Greene counties, and a great deal of interest was taken in a committee was named to draft a constitution and bylaws for the purpose of formulating a permanent organization.

The Washington Board of Trade acted as host to all visitors. At 10:30 o'clock the meeting was called to order. Secretary Charles M. Ketchum of the Washington Board of Trade presided. Dr. James I. D. Moffatt, resident emeritus of Washington and Jefferson college offered the invocation. Addresses of welcome were made by Burgess A. P. Morgan and G. Oliver for Washington and the Washington Board of Trade.

John B. Schafer, president of the Charleroi Business Men's Association responded to the addresses of welcome in a hearty manner, voicing the general sentiment of the visiting merchants.

Chairman Ketchum then announced his appointment of the Ways and Means committee as follows: J. D. Berryman, Charleroi; J. R. Welty, Monongahela; Louis Chabon, McDowell; Harvey Call, Waynesburg; H. H. Huxtor, Lone Pine; Elmer E. Raig, Claysville.

Several five-minute reports were given from representatives from different parts of the county. Lloyd Flint spoke as a representative of the Monongahela Chamber of Commerce. George E. McCahey of Washington spoke briefly.

J. D. Berryman of Charleroi gave short talk, emphasizing the necessity of giving everybody a square deal. This he said would win in the long run. He advocated just meetings as the one held at Washington.

W. C. Clark of Charleroi, in a short talk discussed the pernicious effect of dealing with unscrupulous peddlers who travel from town to town presenting their cheap goods as being first class and of the effects on the merchants when their patrons to whom they give credit, send their cash to purchase from mail order houses.

William McMurray, aged 70 years, presented Burgettstown in a short address. After luncheon a second meeting was held. Harry Russell Myers, representative in the legislature dis-

## JACOBS CANDIDATE NOW FOR COUNCIL

Democratic Committeemen Take Action Placing Well Known Crest Avenue Resident in Nomination—Constable Fight On

Interest in the Charleroi borough campaign has been injected by the nomination of Harry P. Jacobs by the Democrats as a candidate for council. Papers were filed at Washington Thursday to place Mr. Jacobs' name on the ticket. He will be a candidate for the two-year term of council to take the place of C. W. Weltner, resigned. This will make him an opponent of W. H. Calvert, the Republican nominee.

Democratic committeemen took the same sort of action here that their Republican brethren had previously taken in nominating Mr. Calvert as a candidate for the two-year term. Local precinct committeemen met and decided unanimously upon Mr. Jacobs from among several whose names were mentioned. The

## SEEKING COUPLE TO BE MARRIED IN HIS STORE

In the couple who will get married in his store during the opening hours today, H. Porter, the jeweler who has just opened up his newly renovated establishment at 502 Fallowfield avenue, has offered extraordinary inducements. He will present a diamond ring and a wedding ring to the bride and will furnish the minister and the music. In addition the store will be specially decorated.

During the hours of the opening at the Porter store Thursday large numbers of visitors crowded through the place. Souvenirs were given to every visitor.

## UNIONTOWN HIGH TO HAVE ITS BEST ELEVEN HERE

Uniontown high school will send its best football team here tomorrow afternoon to meet the Charleroi high school at 2:30 o'clock. Charleroi high fame has extended considerably since its work in holding Washington last week to a 0-0 score and generally the local team is recognized as a hard one to beat. Coach Gdaniec will send against Uniontown his best squad and this will probably be a similar lineup to that of last Saturday against Washington.

## FIGHT FANS ANTICIPATING GREAT BOUT HERE TOMORROW

Fight fans from all along the Monongahela valley are expected here tomorrow night to attend what it is believed will be the greatest boxing show ever staged here. It will be in the mill between Johnny Ray of Pittsburg and Battling Schultz of Monessen at the skating rink. Ray some time ago beat Patsy Brannigan one of Pittsburg's best in a fast bout at Pittsburg, entitling him to a claim to the championship. Schultz is an aspirant to the same lightweight title, so there will be boxing of the finest kind tomorrow. In addition to this main bout there will be other fights of unusual interest.

## DUNLEVY DOGS REPORTED BY ASSESSOR M. DOOLEY

Assessor Michael Dooley of Dunlevy borough is probably the first assessor in this section to file the report of the number of dogs in his borough, in accordance with the new law calling for their enumeration. The new law states that dogs must be counted by assessors and that publication of the names of the owners must follow. Assessor Dooley found in Dunlevy borough 15 dogs properly accounted for, with licenses paid as demanded by the dog law. He found 16 which must be shot.

## NEW EAGLE MAN IN BIG SCRAP

Samuel Matelli Drafted Into Service With Italy and is Now on Battle Line

## WIFE SEEKING HIS RELEASE

Samuel Matelli, a former resident of New Eagle, has been drafted and is now serving with the Italian army in the European war. Mr. Matelli was a sufferer with sciatic rheumatism and about ten months ago on the advice of his friends, went back to Italy for treatment. He has been completely cured but just about the time he was ready to return to America, Italy cast her lot with the Allies and he was drafted and forced to join the colors.

Matelli was married June 10, 1910 to Miss Elizabeth Valianna, daughter of Angelo Valianna, by Alderman Wiper at Monongahela. Since her husband's departure she has been making her home with her father. This week she was in Pittsburg in consultation with Joseph Natali, Italian Vice Counsel and an effort will be made to have her husband released from the service. The necessary papers will be forwarded to the counsel in Philadelphia within the next few days.

The vice counsel stated that if his release was not secured an arrangement would be made, whereby Mrs. Matelli and her three children would be provided for during her husband's term of service.

Majority of Cases Are Among Foreign Children Of Third Ward

## HEALTH BOARD KEPT BUSY

Everything Possible Being Done to Cope With Situation—Measles' Epidemic Periodical at Steel Town Across River.

Monessen is threatened with an epidemic of measles, 50 cases having been reported to the Board of Health within the last three weeks. This is the largest number of cases of this disease reported since the epidemic of three years ago when over 300 cases were reported within a short time. Last month but nine cases were reported while but 19 cases were reported during all year. The majority of the cases have been discovered in the Third ward and practically all of them are among foreign children.

Every precaution is being taken by the Board of Health in keeping the disease from spreading and the health officials are being ably assisted by the local public school nurse, who in many cases has found the children attending school with rash which later develops in measles. Parents also refuse to report cases to the proper officials and it is only through the nurse reporting pupils absent from school that some of the cases are discovered.

Last month, seventeen cases of diphtheria were reported to the Board of Health and so far this month eight new cases have developed. The first case of typhoid fever since August was reported to the health officials Thursday.

The measles epidemic is periodical here, as it seems when the children, become of a certain age they are effected and after that become immune. Very few if any deaths have been reported from this cause and with proper treatment by the parents, the victims are soon on a fair road to recovery.

## TOURING CAR DAMAGED IN A PECULIAR MIXUP

In a mixup of street car, motor truck and automobile shortly after noon today at Second street the truck and automobile suffered, but the street car escaped with but little damage. The automobile, caught between a telephone pole and the truck was considerably mashed until it is a question as to whether it can ever be entirely straightened around into the best of shape.

The street car was on its way to Speers. The truck belonging to Thomas Arrigo was being driven down Second street. The automobile a Reo car belonging to Luce Bros of Perryopolis was on the street in front of Spencer's garage. The street car hit the truck which slid into the touring car and pushed it back against a telephone pole mashing a part of the machine and breaking down one of the rear wheels. In the automobile was Claude Jenkins who had just driven it to the street while cars in the garage were being shifted. He was unhurt.

UNDER THE REPUBLICAN BAN-  
NER.

"If the present national adminis-  
tration and the incoming congress do  
not place our country upon the prop-  
er economic basis for general pros-  
perity, the Progressive party should  
stand ready to unite under any ban-  
ner."

This is the language of William  
Hamlin Childs, the leader of the Bull  
Moose party in Kings county, New  
York, the county which contains the  
city of Brooklyn. It indicates that  
the glamor which Democratic editors  
are trying to throw upon the admin-  
istration's foreign policy is not daz-  
zling enough to blind observant peo-  
ple to the obvious failure of the ad-  
ministration's domestic policy, a pol-  
icy which breeds disaster and which  
cannot cloak its evil effect behind  
"war orders."

The conditional action of the ad-  
ministration and of the next congress,  
upon which Mr. Childs predicted the  
necessity for Bull Moose enlistment  
"under any banner" may be taken for-  
granted, says the Washington Obser-  
ver. Neither the administration nor  
congress can "place our country  
upon the proper economic basis for  
general prosperity" without a confes-  
sion of error and failure which would  
prevent them from making any effec-  
tive appeal for support at the polls.  
"The proper economic basis for gen-  
eral prosperity" is the Republican  
basis of adequate tariffs for protec-  
tion and for revenue. The country  
desires, no doubt, to be put upon this  
basis; and it desires to be put there  
by Republican hands. It is the Re-  
publican banner under which Mr.  
Childs and his associates will unite  
next year.

passed "Status of Existing and Pro-  
posed State Mercantile Legislation."  
His talk was followed by a general  
discussion.

William Smedley of Philadelphia  
was one of the chief speakers of the  
afternoon. He attacked the credit  
system. Mr. Smedley together with  
a Pittsburgh framed the garnishee  
law. Secretary Ketchum spoke on  
"Curtauling the Itinerant Vender  
and Man Order Competition." J.  
C. Norris of New Castle, president  
of the Pennsylvania Retail Merchants'  
association spoke interestingly on  
the subject of "What is the Rem-  
edy?" He urged that a representa-  
tive of the merchants of Pennsylvania  
be located at Harrisburg for the  
purpose of watching legislation and  
to see that nothing harmful was put  
through.

Among the interesting features  
were group meetings of different  
tradesmen.

At the evening session decision  
was reached to make Charleoi the  
place of the next meeting. J. R. Kel-  
ly of North Charleoi extending the  
invitation. An organization com-  
mittee was appointed consisting of  
Homer E. Craig Claysville, chair-  
man; D. S. Bane, Donora; C. S.

in Health for 14 Years.

Shippensburg, Pa. — "I was several  
years ago that I started taking Lydia E.  
Pinkham's Vegeta-

ble Compound. I then suffered terri-  
bly every month. My husband bought me  
a bottle of it and it helped me right  
away. Then after my second child was  
born I had a female trouble very badly  
and I used Lydia E. Pinkham's Vegeta-  
ble Compound and in a short time was  
cured and have been in excellent health  
since. I always praise the Compound  
whenever I have an opportunity as I  
know it helped me and will help others.  
Lately I have given the Compound to  
my daughter and I wish all suffering  
women would take it and be convinced  
of its worth." — Mrs. JAMES A. BEIDEL,  
113 N. Penn. Street, Shippensburg, Pa.

Lydia E. Pinkham's Vegetable Com-  
pound, made from native roots and herbs,  
contains no narcotic or harmful drugs,  
and to-day holds the record of being the  
most successful remedy for female ills  
we know of, and thousands of voluntary  
testimonials on file in the Pinkham  
laboratory at Lynn, Mass., seem to  
prove this fact.

If you have the slightest doubt

Use Zinc as Nuggets. A shoveler in one of the Joplin zinc mines who had seen in the movies how the gold miners bought what they needed with gold nuggets, recently laid a small chunk of zinc ore on a bar counter and called for a beer. The bartender served the drink to him and laid down 20 cents in change, and of course the crowd laughed and cheered. Such is the spirit of the Joplin zinc boom, with crude zinc ore now worth seven cents a pound, which is about 50 per cent higher than the refined product spelter has averaged for many years.—Wall Street Journal.

## ANAEMIC PEOPLE

Need More Iron in Blood.

If you are anemic, you need more iron in your blood, and the tell-tale symptoms are a pale face--colorless tips, ashen finger nails, poor circulation and short breath, and more serious diseases are easily contracted when in this condition.

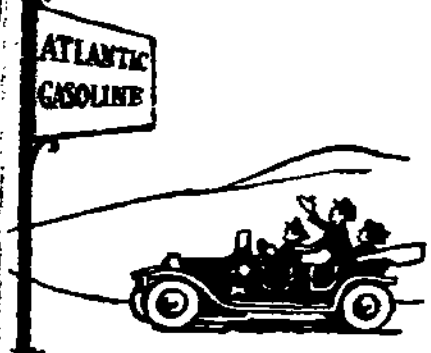

M. W. H. Huges, of Kansas City, Mo., says: "I suffered from the effects of bad blood, was run-down, dizzy, had headaches and did not feel like working. I had tried Beef Iron and Wine without any help. After taking Vinol four days I noticed an improvement and its continued use built up my blood and my bad feelings disappeared like magic."

The bad effects of poor, devitalized blood cannot be overestimated and it is the peptonate of iron and the true cod liver extracts contained in Vinol together with beef peptone, that encircles the blood, improves the circulation and in this natural manner builds up health and strength. Try it on our guarantee.
